MEMBERSHIP HAS ITS BENEFITS

- Members 1st is a financial cooperative focused on giving back to our members.
- When you choose to open an account with us, you'll enjoy the rewards of our profits in terms of lower loan rates, better savings rates and fewer fees.

BRANCHES NEAR YOU

- Mobile tools are great, but sometimes what you really need is a face-to-face conversation (and maybe a lollipop).
- Our members tell us walking into our branches is like entering their home. At a time when just about everything is going digital, we're opening new branches in new locations and creating a more personalized experience for you.

A CONCIERGE IN A MOBILE APP

- That's right. And no, it's not a chat bot or an overseas help desk. Concierges are local associates here to help you set and achieve your savings, spending and borrowing goals.
- Our mobile app gives you 24/7 digital access to check your balance, deposit checks, send money, chat with us, and more.

COMMUNITY ALWAYS

- You'll see us throughout all the counties we serve, participating in countless community and charitable events, helping to make our region the best it can be for everyone's well-being.
- From volunteering our time to supporting charitable causes, we are committed to serving those around us in ways that go beyond financial services.

FLEXIBLE TERMS & GREAT LOW RATES

Sound too good to be true? We'll always do what we can to help you get the money you need—that's just how we treat our members.
