

Valentine's Day Feb. 14th

Fun Fact:

Candy hearts were originally intended to be medical lozenges.

Reminders

Check your oil change sticker and let us know when you are within 1000 of needing an oil change. If a student does not go to school and you have that student in the afternoon you do not need to call in that the student did not go.

Pay period

2/14 and 2/28 Please make sure your paperwork is turned in on time and legible. If you can't read it, neither can we.

President's Day is on the 17th. Please check your school calendar to see if your students have school on this day. Several schools are closed or have early dismissal Friday and Monday.

JACOBY'S AUTO CENTER

Our skilled mechanics here at Jacoby Transportation and their impeccable expertise are eager to help you with your vehicle's needs. Call in and ask for Tyler and he will get you scheduled in.

Join Us In Celebrating **Love the Bus Month!**

We can think of no better way to spend one of the last months of winter, than celebrating our love for the big yellow bus and all of our transportation staff!

February recognizes the individuals and organizations involved in the operation of school busing and at PSBA, Love the Bus Month is an opportunity to showcase the amazing school bus drivers, aides, mechanics and all professional staff that make safe student transportation possible in the Commonwealth.
